## Antenatal Scanning Services

We are very pleased to be able to provide antenatal scans for Kensington Wing patients across our private patient facilities at Chelsea and Westminster Hospital.

Patients should be aware that some Kensington Wing Consultant Obstetricians routinely undertake scanning for their patients. Additional scans on top of Kensington Wing packages are listed below and are available to all patients who may wish to have a scan at the Kensington Wing.

All private antenatal ultrasound scans for our patients are performed either by consultants who are accredited subspecialists in Maternal and Fetal Medicine or by sonographers who are trained to perform these types of scans.

Please note that current prices for scans are as follows (we recommend you check with your Obstetrician as some fees may vary slightly from those shown):

Scan Type	Price
6 to 10 week Dating/Viability	£210
12 week Nuchal Translucency (without bloods)	£205
12 week Nuchal Translucency (with bloods)	£255
11 to 13 week First Trimester Assessment	£225
Gender Scan	£210
20 week fetal anomaly	£310
28 to 32 week wellbeing & growth	£245
36+ week presentation	£160
Cervical assessment scan	£135
Multiple pregnancy supplement for scans (per scan)	£75

## Admission and Discharge Times

Please discuss with the patient liaison team to confirm admission and departure times. Note that those who leave after the discharge time will be charged The Kensington Wing day rate.

## Booking your Maternity Care

If you have chosen consultant-led care and are ready to start your pregnancy journey with us, simply follow the steps below:

1. Choose your consultant
2. Book an initial consultation with a consultant
3. If you choose to start your pregnancy journey with this consultant, they will refer you to The Kensington Wing
4. You will be asked to complete and return forms from the booking pack (private patient agreement form)
5. You will be invited to book your pre-admin appointment with a midwife
6. In order to secure your booking, you will be required to pay your deposit (caesarian section £10,000 or vaginal delivery £7,500)
7. Once your forms and deposit payment are complete you will be ready to start your pregnancy journey at The Kensington Wing and start antenatal classes and additional services.

## Guaranteeing your Booking

Private patient agreement form must be completed and submitted; and deposit must be paid in full to secure booking. Deposit must be received no later than 28 days after receiving the booking pack and prior to booking your booking appointment with the Kensington Wing midwife, or securing a theatre slot for an elective caesarian section.

## Insurance

Most insurance companies do not cover maternity care. If your insurance company is willing to cover your maternity care, we require a Guarantee of Payment from them before booking your appointment at The Kensington Wing. This must state your policy/membership number, limit of cover, authorised length of stay and authorisation code.

If your insurance is subject to a policy excess, this must be paid in full prior to discharge from The Kensington Wing. If this information is not received in advance of your admission, you are liable to pay the full amount of the treatment and additional services you have received under our care prior to discharge, then settle your insurance claim directly with your insurer.
