Care Outside of Pathway In the rare event that a patient requires transfer to a specialty NHS unit for care during their stay (such as intensive care) this element is provided by the NHS and therefore without charge to the patient or their insurer. The patient must be entitled to NHS services. Patients who are unsure about their entitlement to NHS services are encouraged to visit the gov.uk website and/or the Chelsea and Westminster Hospital NHS Foundation Trust website for further Information: - https://www.gov.uk/guidance/nhs-entitlements-migrant-health-guide - https://www.chelwest.nhs.uk/your-visit-overseas-patients	**No charge for patients entitled to NHS services**
Specialist Care for Baby If your baby requires transfer to the neonatal Intensive Care Unit (NICU) or is receiving intervention under the instruction of the Neonatal Team on Kensington Wing this element is provided by the NHS and therefore without charge to the patient or their insurer. The patient must be entitled to NHS services (which automatically extents to their baby). Patients who are unsure about their entitlement to NHS services are encouraged to visit the above websites for further information.	**No charge for patients entitled to NHS services**
6-8 Week Baby Check and Consultation A 6-8 week check is like a first newborn check, including a comprehensive head-to-toe examination of skin, eyes, breathing, heart rate, oxygen saturations, hips and genitalia along with an age-appropriate developmental assessment, conducted by a Consultant Neonatologist. You may also wish to discuss any queries regarding routine care (such as feeding, sleeping, colic, reflux, vaccination, etc.).	**Please enquire at reception**
Postnatal Community Visits - **Postnatal visit** - **Postnatal visit package (includes up to 5 visits)**	**£330** **£1,650**

Antenatal Scanning Services

We are very pleased to be able to provide antenatal scans for Kensington Wing patients across our private patient facilities at Chelsea and Westminster Hospital.

Patients should be aware that some Kensington Wing Consultant Obstetricians routinely undertake scanning for their patients. Additional scans on top of Kensington Wing packages are listed below and are available to all patients who may wish to have a scan at the Kensington Wing.

All private antenatal ultrasound scans for our patients are performed either by consultants who are accredited subspecialists in Maternal and Fetal Medicine or by sonographers who are trained to perform these types of scans.

Please note that current prices for scans are as follows (we recommend you check with your Obstetrician as some fees may vary slightly from those shown):

Scan Type	Price
6 to 10 week Dating/Viability	£210
12 week Nuchal Translucency (without bloods)	£205
12 week Nuchal Translucency (with bloods)	£255
11 to 13 week First Trimester Assessment	£225
Gender Scan	£210
20 week fetal anomaly	£310
28 to 32 week wellbeing & growth	£245
36+ week presentation	£160
Cervical assessment scan	£135
Multiple pregnancy supplement for scans (per scan)	£75

Admission and Discharge Times

Please discuss with the patient liaison team to confirm admission and discharge times. Note that those who leave after the discharge time will be charged The Kensington Wing day rate.

Booking your Maternity Care

If you have chosen midwife-led care and are ready to start your pregnancy journey with us, simply follow the steps below:

1. Call the Kensington Wing on 020 3315 8616 to make a 15 minute 'meet and greet' appointment with a midwife to make sure you meet the eligibility criteria for midwife-led care
2. If you are eligible for midwife-led care, the midwife will ask you to make your first appointment in the midwife clinic. This appointment will take 90 minutes
3. At your appointment, the midwife will complete a referral form and send this to the booking team who will send you a booking pack. This pack will contain all the information you need to secure your booking.
4. You will be required to complete the Private Patient Agreement form and also pay a deposit of £9,000.

Once your forms are completed and your deposit paid you will be ready to start your pregnancy journey at the Kensington Wing.

Guaranteeing your Booking

Private patient agreement form must be completed and submitted; and deposit must be paid in full to secure booking. Deposit must be received no later than 28 days after receiving the booking pack and prior to booking your booking appointment with the Kensington Wing midwife, or securing a theatre slot for an elective caesarian section.

Insurance

Most insurance companies do not cover maternity care. If your insurance company is willing to cover your maternity care, we require a Guarantee of Payment from them before booking your appointment at The Kensington Wing. This must state your policy/membership number, limit of cover, authorised length of stay and authorisation code.

If your insurance is subject to a policy excess, this must be paid in full prior to discharge from The Kensington Wing. If this information is not received in advance of your admission, you are liable to pay the full amount of the treatment and additional services you have received under our care prior to discharge, then settle your insurance claim directly with your insurer.
