Returning Patients

We are always delighted to welcome back patients who have previously had a baby at The Kensington Wing and provide a 10% discount off all package prices for <u>self-funding</u> returning patients.	10%
We are very pleased to extend this discount offer to our Fertility Centre patients also.	

Price List - effective from 1st January 2026

Admission and Discharge Times

Please discuss with the patient liaison team to confirm admission and departure times. Note that those who leave after the discharge time will be charged The Kensington Wing day rate.

Booking your Maternity Care

If you have chosen Consultant-led Care and are ready to start your pregnancy journey with us, simply follow the steps below:

1. Choose your Consultant and book an initial consultation with them
2. If you choose to start your pregnancy journey with this Consultant, they will refer you to The Kensington Wing
3. You will be asked to complete documents and forms from the booking pack (including the Private Patient Agreement Form) and return these to us without delay
4. You will be invited to book your pre-admin appointment with a midwife
5. In order to secure your booking, you will be required to pay your deposit (see below). We also require patients to provide details of a recognised credit or debit card and these details will be stored (encrypted) on our financial systems alongside details of your deposit payment
6. Once your forms and deposit payment are complete you will be ready to start your pregnancy care at The Kensington Wing

Your Deposit and Guaranteeing your Booking

The Private Patient Agreement form must be fully completed, signed and returned and your deposit must be paid in full to secure your booking. The deposit must be received no later than 28 days after receiving the booking pack and prior to booking your 'booking appointment' with a Kensington Wing midwife, or securing a theatre slot for an elective caesarian section.

Please note deposit amounts are as follows –

Consultant-led Care	
Vaginal delivery package (Kensington Wing and Kensington Wing Suite)	£8,500
Elective C-section package (Kensington Wing and Kensington Wing Suite)	£11,500

Please note that a final invoice will be calculated following your discharge. Any amount owing to patients will be refunded. Where there is a final balance amount due to The Kensington Wing this must be settled upon presentation of the final invoice.

Price List - effective from 1st January 2026

Insurance

Most insurance companies do not cover maternity care. If your insurance company is willing to cover your maternity care, we require a pre-authorisation and/or Guarantee of Payment from them before booking your appointment at The Kensington Wing. This must state your policy/membership number, limit of cover, authorised length of stay and authorisation code. If your insurance is subject to a policy excess, this must be paid in full prior to discharge from The Kensington Wing.

If full and acceptable insurer information is not received in advance of your admission, you shall be liable to pay the full amount of the treatment and additional services you have received under our care prior to discharge – and thereafter settle your insurance claim directly with your insurer.

<p>Cancellation If for any reason you cancel a booking a cancellation fee shall apply to cover administrative costs. Your account remains your responsibility throughout your stay and we ask for payment of any balance due at the time of discharge except if we have received a Letter of Guarantee or other acceptable pre-authorisation from your insurer (with whom we have direct settlement arrangements).</p>	<p>£560</p>
--	-------------

Please note that all prices are effective from 1st January 2026 and may be subject to change.
The price you will be required to pay is the price pertaining at the time of your admission, not the date of booking.
