

We are very pleased to be able to provide antenatal scans for Kensington Wing patients across our private patient facilities at Chelsea and Westminster Hospital.

All private antenatal ultrasound scans for our patients are performed either by consultants who are accredited subspecialists in Maternal and Fetal Medicine or by sonographers who are trained to perform these types of scans.

Please note that current prices for scans performed by consultants are as follows:

Scan Type	Price
6 to 10 week Dating/Viability	£225
12 week Nuchal Translucency (without bloods)	£220
11 to 13 week First Trimester Assessment	£240
Gender Scan	£225
20 week fetal anomaly	£325
28 to 32 week wellbeing & growth	£260
Cervical assessment scan	£145
Fetal echocardiography and consultation	£440
Multiple pregnancy supplement	
Scans (per scan)	£85
Echocardiography scans (per scan)	£110

To book a scan please contact the team.
