## Booking your Maternity Care

If you have chosen consultant-led care and are ready to start your pregnancy journey with us, simply follow the steps below:

1. Choose your consultant
2. Book an initial consultation with a consultant
3. If you choose to start your pregnancy journey with this consultant, they will refer you to The Kensington Wing
4. You will be asked to complete and return forms from the booking pack (private patient agreement form)
5. You will be invited to a booking appointment to discuss your pregnancy with a midwife and your personalised maternity care package
6. In order to secure your booking, you will be required to pay your deposit (caesarian section £10,000 or vaginal delivery £7,500)
7. Once your forms and deposit payment are complete you will be ready to start your pregnancy journey at The Kensington Wing and start antenatal classes and additional services

## Guaranteeing your Booking

Private patient agreement form must be completed and submitted; and deposit must be paid in full to secure booking. Deposit must be received no later than 28 days after receiving the booking pack and prior to booking your booking appointment with the Kensington Wing midwife, or securing a theatre slot for an elective caesarian section.

## Insurance

Most insurance companies do not cover maternity care. If your insurance company is willing to cover your maternity care, we require a Guarantee of Payment from them before booking your appointment at The Kensington Wing. This must state your policy/membership number, limit of cover, authorised length of stay and authorisation code.

If your insurance is subject to a policy excess, this must be paid in full prior to discharge from The Kensington Wing. If this information is not received in advance of your admission, you are liable to pay the full amount of the treatment and additional services you have received under our care prior to discharge, then settle your insurance claim directly with your insurer.

## Cancellation

If for any reason you cancel after booking a £560 cancellation fee will be charged to cover administrative costs. Your account remains your responsibility throughout your stay, and we will ask for payment at the time of discharge except if we have received a Letter of Guarantee in advance from your insurer.
