# Antenatal Scanning Services

---

We are very pleased to be able to provide antenatal scans for Kensington Wing patients across our private patient facilities at Chelsea and Westminster Hospital.

Patients should be aware that some Kensington Wing Consultant Obstetricians routinely undertake scanning for their patients - either providing a range of scan types throughout the pregnancy or specific scans only, such as those in early pregnancy.

Others Consultants do not provide a scanning service themselves.

Patients should therefore discuss with their Consultant what he or she provides. Your Consultant can also advise you of their scanning charges where applicable (please do ask for these if you have not had them)

Those Consultants who do not provide scanning - or provide all types of scan - are able to refer their patients (as required) to their Kensington Wing colleague, Miss Angela Yulia, for this purpose. Miss Yulia is a Consultant Obstetrician and accredited sub-specialist in Maternal and Fetal Medicine.

Miss Yulia can also provide a range of antenatal scans for patients on Midwife Led Care pathways.

Please note that current prices for scans provided by Miss Angela Yulia are as follows -

<b>Scan Type</b>	<b>Price</b>
<b>6 to 10 weeks Dating/Viability</b>	<b>£200</b>
<b>12 week Nuchal Translucency (without bloods)</b>	<b>£195</b>
<b>12 week Nuchal Translucency (with bloods)</b>	<b>£245</b>
<b>11 to 13 week First Trimester Assessment</b>	<b>£215</b>
<b>Gender Scan</b>	<b>£200</b>
<b>20 week fetal anomaly</b>	<b>£300</b>
<b>28 to 32 week wellbeing &amp; growth</b>	<b>£235</b>
<b>36+ week presentation</b>	<b>£150</b>
<b>Cervical assessment scan</b>	<b>£125</b>
<b>Supplements</b>	
<b>Multiple Pregnancy supplement for Scans (per scan)</b>	<b>£75</b>

## Admission and Discharge Times

We are pleased to offer a flexible admission time, however discharge is by 12pm on the day of departure. Please discuss with the patient liaison team to confirm times. Note that those who leave after the discharge time will be charged The Kensington Wing day rate.

## Booking your Maternity Care

If you have chosen consultant-led care and are ready to start your pregnancy journey with us, simply follow the steps below:

1. Choose your consultant
2. Book an initial consultation with a consultant
3. If you choose to start your pregnancy journey with this consultant, they will refer you to The Kensington Wing
4. You will be asked to complete and return forms from the booking pack (private patient agreement form)
5. You will be invited to a booking appointment to discuss your pregnancy with a midwife and your personalised maternity care package
6. In order to secure your booking, you will be required to pay your deposit (caesarian section £10,000 or vaginal delivery £7,500)
7. Once your forms and deposit payment are complete you will be ready to start your pregnancy journey at The Kensington Wing and start antenatal classes and additional services

## Guaranteeing your Booking

Private patient agreement form must be completed and submitted; and deposit must be paid in full to secure booking. Deposit must be received no later than 28 days after receiving the booking pack and prior to booking your booking appointment with the Kensington Wing midwife, or securing a theatre slot for an elective caesarian section.

## Insurance

Most insurance companies do not cover maternity care. If your insurance company is willing to cover your maternity care, we require a Guarantee of Payment from them before booking your appointment at The Kensington Wing. This must state your policy/membership number, limit of cover, authorised length of stay and authorisation code.

If your insurance is subject to a policy excess, this must be paid in full prior to discharge from The Kensington Wing. If this information is not received in advance of your admission, you are liable to pay the full amount of the treatment and additional services you have received under our care prior to discharge, then settle your insurance claim directly with your insurer.
